EXPERIENCE

Facilities Supervisor | Sun Devil Fitness Complex, ASU | May 2025 - Present

- Supervise facility operations and enforce safety procedures; CPR and First Aid certified.
- Assist 2,000+ daily users with facility access, equipment, and recreation support.
- Coordinate with an 80-person staff team to support daily facility operations.

Web Development Intern | Project Managers, Karachi, Pakistan | May - July 2023

- Fixed front-end HTML, CSS, and JavaScript bugs that disrupted client appointment bookings; used Jira for sprint and bug tracking.
- Redesigned the booking workflow, reducing average booking time from 13 to 6 minutes.
- Increased monthly consultations 44% (9 to 13 clients), driving a 44% rise in revenue.

IT & Digital Support Intern | J. Junaid Jamshed, Karachi | Nov 2022 - Jan 2023

- Resolved digital catalog data inconsistencies as part of a six-person team.
- Improved catalog update speed by 30%, reduced data-entry errors by 20%, and contributed to a 12% increase in online sales.

PROJECTS

Weather App | Personal Project | HTML, CSS, JavaScript, OpenWeatherMap API

- Built a responsive forecasting web app using real-time weather data and asynchronous API handling.
- Added dynamic weather icons and dual Celsius/Fahrenheit display; deployed using GitHub Pages with mobile-responsive layouts.

LEADERSHIP & INVOLVEMENT

Society Executive Member | Lyceum Lytech (Tech Society) | Aug 2022 - May 2023

- Organized a Tech Fair for 250+ participants and led a 113-member team on logistics and registration.
- Ran a social media campaign that increased participation by 25%.

Volunteer | Lyceum Service Society, Karachi | Oct 2021 - May 2023

- Organized bake sales and donation drives that raised approximately \$4,000 for charity and cancer patients; homeschooled underprivileged students.
